MEDIA RELEASE

Regional Art Trail

The Coonamble Regional Art Trail Project is progressing on schedule and within budget, with completion expected in late June 2026 and project acquittal planned for August 2026.

The project features four major public art installations, along with two additional deliverables, each designed to showcase and celebrate the unique heritage, culture, and community identity of the Coonamble Shire. Projects include, Tin Town Contemplation Circle, Smith Park Murals, Gulargambone Entry Signs and Quambone Wailwan Contemplation Circle

The artworks will be installed across key locations throughout the Shire, creating a connected trail that encourages both residents and visitors to explore and engage with local stories and places.

Council has welcomed the continued progress of the project, which is contributing to the enhancement of public spaces and supporting cultural tourism opportunities in the region.

Further updates, including unveiling details and locations of the installations, will be shared closer to completion.
