Applicant:	Coonamble Shire Council
Exhibition Period:	22 September to 20 October 2026

Notice is hereby given that Coonamble Shire Council has lodged a Development Application for the construction of a new fuel storage and dispensing area within the existing Coonamble Shire Council Depot. It includes the installation of a 55,000 L self-bunded diesel tank, relocation of the existing 4,500 L self-bunded ULP tank and relocation of the existing bitumen emulsion tank, and construction of associated concrete hardstand, drainage, spill containment, dispensing and fuel management infrastructure

The proposed development will be on land known as Lot 1, DP 220172, 53 Back Gular Road, Coonamble.

The consent authority for the Development Application is Coonamble Shire Council.

The development application for the proposed development and accompanying Statement of Environmental Effects may be inspected from **22 September to 20 October 2026** at:

- Coonamble Shire Administration Centre
80 Castlereagh Street, Coonamble, NSW 2829
- Online at Council's website: [here](#).

Any interested person may, within the exhibition period, make written submission to the Coonamble Shire Council with respect to such proposed development. If your comments are an objection, then the grounds of the objection must be specified.

Any submissions that you wish to make on this proposal may be included without alteration (including names and addresses) in reports that are available to the public, in Council business papers (which are published on Council's website) and also made available to the applicant for comment during consideration of the development application. Anonymous submissions may be given less (or no) weight in consideration of the proposal.
