The Mayor  
Coonamble Shire Council  
Castlereagh Street  
Coonamble.

Dear Mr Horan.

The Rotary Club of Coonamble were recently involved in the Xmas Street Carnival. We had a spinning wheel and provided food and drinks for the large number of community members who attended.

Even though it was a reasonable crowd we believe that it would be beneficial for all concerned if it was held on a Thursday evening as it was before.

We found that it was too hot to be walking the street for 3 hours and some people arrived as all the events were about to finish.

On an evening it would be 8 to 10 degrees cooler. Some people also work on the Saturday morning. It was the consensus of a lot of people spoken to that they would prefer a Thursday evening.

One attraction that was missing this year was live entertainment to keep the crowd interested

It was also mentioned that it was difficult to get an organizer for the event. Maybe it would be possible that The Rotary Club could be able to organize it next year. We would have to meet to confirm this.

Yours Sincerely  
Keith Glover Secretary
