

1. BACKGROUND

It is Council's policy to ensure that its community service obligations concerning the granting of donations to community groups are met in an open, fair and transparent manner and that the administration work in considering donations is streamlined as much as possible.

2. PURPOSE

Each year Council receives numerous requests for donations. These requests can broadly be classified into three (3) categories namely: 1. Local Organisations 2. Community Organisations 3. Council list of organisations to which donations are made categorised as:

- a) Pre-approved donations
- b) Non pre-approved donations
- c) Mayoral donations.

3. POLICY

Local Organisations

Due to the large number of requests for donations from non-local organisations, Council will generally only make donations to local organisations with the exception of the Pre-approved Donations listed in Section 3 a) of this policy.

Donations to this category should be limited to \$100.00 per year per organisation

Community Organisations

Council will only make donations to community organisations, not individuals. This will remove any public perception that may exist concerning Council favouring one (1) individual over another.

Following closure of the time allocated for receipt of requests a Council committee comprising of the Mayor, two (2) other Councillors and the General Manager or his/her delegate will consider all requests and make an appropriate recommendation to Council.

Applications under this category may include requests for Council to donate the value of the community group's annual general-purpose rates, if applicable. Requests for the donation of the value of rates will be considered in the same manner as other donations.

All applications must be on the Coonamble Shire Council's Application form which lists the Application Guidelines and eligibility criteria.

If required supporting documentation is not submitted at the time of the application, the submission will be deemed an invalid application and not considered by Council.

Successful applicants are required to complete a Community Donation Report and return it to Council by the end of the financial year in which the donation was given.

If a Community Donation Report is not received by Council on the due date, future applications for donations may be declined.
