MEDIA RELEASE

ROAD CONDITIONS REPORT – PILLIGA ROAD CLOSED

Further to the road conditions report of 9am, Coonamble Shire Council now advises the travelling public that Pilliga Road is closed north of Floddenfield Road, with about 45cm of water flowing over causeways at this point.

Heavy rainfall near Baradine – that closed the Baradine Road earlier this week – has now drained westward through the Pilliga Forest to block the Pilliga Road.

All unsealed roads within the Local Government Area remain **OPEN** to all traffic, with drivers requested to exercise caution and drive to conditions at all times.

Baradine Road is open through to Coonabarabran.

Council staff periodically inspect roads during and after rain events and issue updated road bulletins as conditions change.
