ROAD CONDITIONS UPDATE

ACCESS TO SANDY CAMP ROAD & GIBSON WAY

Coonamble Shire Council advises the travelling public that access to both Sandy Camp Road and Gibson Way is blocked near their intersection due to flooding across causeways. All unsealed roads in the Local Government Area are open to 4WD traffic only.

Sandy Camp Road is closed north of its intersection with Gibson Way due to flooding over the Gargee Causeway, while Gibson Way is also closed west of its intersection with Sandy Camp Road due to flooding over Little Terrigal and Big Terrigal Causeways.

Properties along Sandy Camp Road can be accessed from the north via Dusty Swamp Road, off Merri Merri Road. Road use in the area is restricted to essential traffic only.

Council staff periodically inspect roads during and after rain events and issue updated road bulletins as conditions change.
